February 14, 2004

Dear members of the Wave of Joy Gospel Choir,

It is our pleasure to welcome you into our building on behalf of the Christian Music Academy. We know that the CMA is a real gift to our community and that some of the strongest gospel singers in the world have come right here to Hope Lutheran Church because of the good work they do.

As fellow Lutherans in our Christian journey, it is my special honor to welcome you here. I hope you feel especially welcomed in our midst! That kind of special welcome to all people of every place and background is the kind of welcome we offer in our congregation, and it is now our privilege to greet you here among us.

We hope that your stay is enjoyable, and that you find the hospitality of Christ wherever your travels take you!

Yours in Christ,

+ Pastor Donald King
